### Don CeSar Room Block Sold Out – New Block Open at Beach House Room Block Closes on September 10, 2015

#### *Limited Availability*

The NSEE room block at the Don CeSar hotel has sold-out, well over our contracted rooms. Due to this, the Don has added a smaller room block at their sister property the "**Beach House Suites**" at our group rate of **\$164 per night (plus taxes)**. To book your stay, **you must call the reservation number below and mention that you are with NSEE**. Reservations under our room block at the Beach House Suites cannot be made online.

The Beach House Suites is a 70-room all suite resort located directly on St. Pete Beach and located one-half mile from the Loews Don CeSar Hotel (four-city block...or you can take the free beach shuttles, where all you will have to do is tip the driver). Perfect for extended stays, each one-bedroom suite provides separate living room, washers and dryers and a well equipped kitchen with refrigerator, ice maker, coffee maker, microwave and range. Special details such as spectacular views of the Gulf of Mexico, private balconies and poolside service add the extra comforts to make a perfect stay more memorable.

Please note, the Beach House will be starting renovations in early September at the meeting, but the hotel staff has ensured us that the work will be taking place during the day while our meeting is in session so you will not be disturbed.
