

About NSEE

National Society for Experiential Education (NSEE) is a nonprofit membership association of educators, businesses, and community leaders. Founded in 1971, NSEE also serves as a national resource center for the development and improvement of experiential education programs nationwide. NSEE supports the use of learning through experience for:

- intellectual development
- cross-cultural and global awareness
- civic and social responsibility
- ethical development
- career exploration
- personal growth

NSEE is governed by a volunteer Board of Directors representing diverse K-12 and higher education settings, nonprofit organizations, and government agencies. Candidates for elected positions are nominated by the membership.

NSEE Staff coordinates the activities of the organization from the national office in Mt. Royal, New Jersey.

NSEE members volunteer to serve on a variety of committees and there are opportunities for leadership development, service to the membership, and community building among members through NSEE's Special Interest Groups (SIGs) and Networks.
